

CALLING ALL NICU SUPER HEROES!
VON SUPER HERO SOCIAL EVENT
SATURDAY EVENING, OCTOBER 28, 2017

In the midst of your busy NICU lives, it is easy to take for granted the amazing “super powers” that your team employs as you fight off the villainous morbidities of prematurity, all while saving lives and making difficult days more bearable for babies and their families.

To recognize and celebrate these gifts, we invite you to unleash your costuming creativity and translate your team’s quality improvement story to illustrate your team’s unique super power(s) at the VON Super Hero Social Event! Is your team superlative at busting infection? Has your unit smashed the record of infants using Kangaroo Care? The sky is the limit (literally!) for your super hero characters.

Come prepared to dine, dance to your favorite tunes, and celebrate the true heroism that surrounds us. Individual and/or team ensemble costumes are optional but encouraged; prizes awarded for courage and creativity!

This event fills quickly. Please [pre-register](#) to assure your place at the Super Hero table. There is no fee for meeting registrants; other guests welcome – fees apply (\$75).

Spider-Man reminds us that “With great power, comes great responsibility.”
