

# Annual Quality Congress 2017 Encore

All-VON Webinar – Wednesday, November 29, 2017 • 3 - 4:30 PM EST

## Description

Gather your team to experience key presentations from the VON 2017 Annual Quality Congress and engage in live discussion with presenters. Learn about innovation and quality improvement within the community of practice.

## Target Audience

Neonatologists / Fellows  
Advanced Practice Nurses / Nurses  
NICU Leadership teams  
Family Advisors  
Social Workers  
Respiratory Therapists  
Dieticians  
Discharge Planners  
Quality Leaders  
Senior Leaders  
Interdisciplinary team members interested in advancing the quality of care

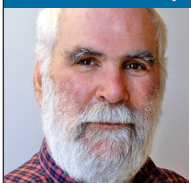

## Agenda

3:00	Setting the Stage	D. Zayack
3:02	Antibiotic Stewardship: Playing by the Rules - Promoting Rapid-Cycle Uptake of New National Guidelines for Antibiotic Use in Newborns	K. Puopolo
3:22	Expert Discussion and Q&A	
3:32	Antibiotic Stewardship in Oregon and Southwest Washington	D. Dukhovny
3:40	Expert Discussion and Q&A	
3:45	New Vermont Oxford Data: Effectiveness of Antenatal Steroids at 22-25 weeks Gestation	D. Ehret
4:05	Expert Discussion and Q&A	
4:15	Reducing BPD Through Improved RT Involvement	G. Michael Bixler / D. Boyer
4:22	Expert Discussion and Q&A	
4:27	Summary and Future Opportunities	D. Zayack / M. Buus-Frank

## Learning Objectives

1. Identify practices and processes contributing to innovation and excellence in neonatal care.
2. Associate evidence-based recommendations with changes in practice -- actual or proposed.
3. Advance local opportunities to improve care through reflection on potentially better practices.
